U.S. DEPARTMENT OF THE TREASURY
BUREAU OF ALCOHOL, TOBACCO & FIREARMS

TAPE #7

3/1/93

DAVID: -- was too old, right?

JIM: Right.

DAVID: Okay, God had promised, hadn't he?

JIM: Yeah.

DAVID: Well, who do you think was the one --

JIM: Hey, David, wait one second. I'm sorry to interrupt you. Has Sita already left?

DAVID: Sita left? Sita left? Go check and see, make sure Sita's left. We've got to get this underway. Well, anyway, we're checking on that now.

JIM: Okay.

DAVID: Anyway, Lois got pregnant and guess who got the blame, Jim?

JIM: Who?

DAVID: Me. Now, this shows you how human beings think, okay?

JIM: Um-hum.

DAVID: First of all, here I was 22, 23 years old, and here I am giving Lois and all these people studies about the power of God and the mystery of divinity. And Lois gets pregnant. Okay, now, what happened was that a lot of people rose up. There was originally branches. It was really Davidians, right?

JIM: Um-hum.

DAVID: And they accused me of going to bed with her and they accused her of going to bed with me.

And this woman was very homely and 70 years old. You know what I mean?

JIM: Yeah. Yeah, I do.

DAVID: And so what happened was is that I said now, listen, there's a truth you've got to deal with here. I says your accusations against me, let's evaluate this. I says what if I did go to bed with her? And she has conceived a child, and she doesn't even have any seed. I says you better watch out your accusations. Out of one side of your mouth you say you believe in God, that God created a child in the womb of Sarah. On the other side of your mouth you're saying that if you're Lois your a prophet (Indiscernible) it has to be from me that somebody's been doing naughty stuff. Okay?

JIM: Um-hum.

DAVID: They're crazy, aren't they?

JIM: Um-hum.

DAVID: You know, a miracle would take place if a 70-year-old woman could have a baby, wouldn't it?

JIM: Right. I, I guess so, yeah.

DAVID: See? Well, no one should have blamed me. On the contrary, they should have prayed to God. Okay. So what happened was all hell broke loose, and hat's when George Roden got into the scene.

JIM: Right.

DAVID: And he came in and he's waving around a .357 Reuger, a Nighthawk or a Magnum. And he was telling people he was going to blow my balls off and he was going to, you know, all this kind of stuff.

JIM: Hey, David?

DAVID: Yeah.

JIM: They got the kids and they're on the way. So, go ahead and get your next two.

DAVID: Okie doke.

JIM: And I think you said it was Scott and Chrissy?

DAVID: Okay. So, that's Scott and Chrissy now? Scott and Chrissy? Jim, could you do us a favor?

JIM: Sure. What do you need?

DAVID: Could you get our line open again to where we could call the radio station again?

JIM: I, I can see, David.

DAVID: They shut us off.

JIM: Yeah. I'll tell you, I'll be straight up with you. I, I can see, but I don't hold that much hope because there's so much, you know, the commanders have to work on it. I'll tell you, there's a billion reporters out here. I mean, I think they've got every phone line tied up plus, a lot of times, you know --

DAVID: What's happened is they just, they just disconnected our line to where we can only call

you.

JIM: Yeah. Okay.

DAVID: So, you know

JIM: Well, I'll see what I can do. I'll give you an honest word. I'll see what I can do, but

DAVID: Are they still going to play that message?

JIM: What message? Oh, yeah, play the message on the radio station?

DAVID: Yeah.

JIM: Yeah. Okay, let me, let me get that taken care of.

DAVID: Okay.

JIM: Is Phil out there (Indiscernible)? If I need him, I'll send him in. Yeah, okay. (Talking to someone else.) The problem with the telephone, David, is like this is really a normal procedure, you know, to keep a -- keep the lifeline going, you know, between you and me.

DAVID: Yeah, but our other lines have been cut off.

JIM: Oh, okay. Yeah, I understand. I understand. Yeah. Yeah. Well, let me see if David.

DAVID: Yeah?

JIM: Hold on just a second.

DAVID: Where's my -- where's little Koresh at?

UNIDENTIFIED MALE SPEAKER: You've got all four kids in that house?

JIM: No, I've got two kids.

UNIDENTIFIED MALE SPEAKER: transition. (Unidentified voices in background not discernible.)

JIM: Hey, David.

DAVID: Huh?

JIM: I need you to help me out on this.

DAVID: Go ahead.

JIM: Okay. The commanders got, got the two kids and they want to change this room I'm in. You know, I've got to move because I'm in this little bitty room and I don't have any room, and I've got all these people in here. And so what they wanted me to do is move across the way. I'm out at the airport. You know where the airport is?

DAVID: Right, yeah.

JIM: And they want me to move across to this other building where there's more room, you know, and it'll be quiet.

DAVID: What's your number?

JIM: They'll do -- I'll call you with it and tell you, you know, no problem. But what I'd like to

do before we take a break is just to, you know, get those other two kids ready and, you know, send another car and get that. And then maybe we could take a little break, and then once I get to the new place, I'll get back with you.

DAVID: Okay. Are they going to -- well, like you say, then when the next car comes, can they, can they bring us in new lines so we don't get cut off as much?

JIM: Yeah, I'm working on that. I'm working on that. Yeah, I want to work on it. I'll see what I can do for you.

DAVID: Okay. Now, now, now, now, remember, I gave $1,000 to those guys, and I want you to get that $1,000.

JIM: Oh, hey, don't worry about it.

DAVID: Jim, you've got to I'm serious.

JIM: Hey, let me give -- you got a pencil? I'm going to give you this new phone number.

DAVID: Okay. Hey, Rach, Rachel, could you take a, take a note pad and a piece of paper? I've got a number for you? Where's the pencil?

JIM: (Unidentified male voice in background not discernible.) Really?

DAVID: Where's the pad with -- do you see it?

JIM: Can we work that, we can help? (Talking to someone else.)

DAVID: Did you get the okay, here you are, take -- put it on that there put it on that pad. (Talking to someone else.) What is it now, Jim?

JIM: It's 799 --

DAVID: Seven nine nine

JIM: -- 0545.

DAVID: -- oh five four five.

JIM: Okay?

DAVID: Seven nine nine --

JIM: Oh five four five.

DAVID: oh five four five.

JIM: Now, I'll call you first, okay? And so -- until we know it's clear.

DAVID: Okay. All right.

JIM: We're going to send the other car to the water tower.

DAVID: Okay.

JIM: Okay, so, can you get Scott and Chrissy?

DAVID: Yeah.

JIM: 'Cause what I don't want to happen is they're switching my room and we're in the middle of -- and the kids, you know, 'cause I've got to kind of, you know, get off for a few minutes.

DAVID: Okay, will do.

JIM: So tell

DAVID: Call me up as soon as the car gets there.

JIM: Yeah, but let's hang on until we get these other two kids in the car, and then we'll, then we'll get off, okay? 'Cause -- yeah. You've got -- Who have you got there, Sonja?

DAVID: Probably. They're not back yet.

JIM: Oh, Sita's not back?

DAVID: No.

JIM: Okay. All right, let, let, let me, let me call you in a minute.

DAVID: Okay.

JIM: I need to, I need to work this out with the commanders 'cause I, I want to, you know, I want (Indiscernible) kids in the driveway and you and me ought to talk, you know.

DAVID: Kids in the driveway?

JIM: I mean I don't want that to happen. You know what I'm saying? I don't want Sita walking down the driveway and we're not on the phone.

DAVID: Oh, okay.

JIM: You know what I mean.

DAVID: Okay.

JIM: And we have the two children. They're

on their way here safely, okay?

DAVID: Okay.

JIM: And I'll just -- we'll just break off for a few minutes

DAVID: Okay.

JIM: -- then I'll get back with you.

DAVID: Okay. Bye, Jim.

JIM: Okay, Buddy, I'll see you.

* * * *

JIM: Do we have transportation over there? Do we have transportation to -- no, we're going to get them over two kids out first, aren't we?

DAVID: Good afternoon. May I help you? Hello?

* * * *

UNIDENTIFIED FEMALE SPEAKER: Hello?

JIM: Hello, Yvette?

UNIDENTIFIED FEMALE SPEAKER: Huh?

JIM: This is Jim.

UNIDENTIFIED FEMALE SPEAKER: Okay, wait one moment. Do you want to speak to David?

JIM: Yeah, please.

UNIDENTIFIED FEMALE SPEAKER: Okay.

DAVID: Okay.

JIM: How you doing, Buddy?

DAVID: It's a miracle.

JIM: Have you got those other kids ready?

DAVID: Are the kids ready? Chrissy and who's next? Chrissy and Scott.

JIM: Chrissy and Scott, yeah.

DAVID: Got to -- were you calling from the new number?

JIM: No, not yet. I'm going to get -- move over there in a few minutes. I wanted to get this done first.

DAVID: Are they sending -- oh. Are they playing the message on the radio? (Unidentified male voice in background not discernible.)

JIM: He's talking to one of his buds, asked him if they played the message on the radio. (Unidentified male voice in background not discernible.) Yeah, yeah. Could you tell me what time they're going to do the movement, so I can tell him -- (Unidentified male voice in background not discernible.) Okay.

DAVID: Who? What? My grandmother? Turn it on.

JIM: He thinks his grandmother is on the radio or the TV or something.

UNIDENTIFIED MALE VOICE: Yeah.

DAVID: Did you hear that, Jim?

JIM: No, I didn't, David.

DAVID: My grandmother is on an interview.

JIM: Where?

DAVID: I'm trying to get the details. I was always told by my family that, that I'm kind of strange.

JIM: Where's your grandmother live?

DAVID: She lives down in Chandler.

JIM: Yeah.

DAVID: Chandler's close to Tyler.

JIM: Yeah, yeah, I know where it is. That's pretty country over there.

DAVID: Oh, yeah. I love that country. I used to fish on Lake Tyler --

JIM: Oh, did you? Yeah. They've got a little train runs down that way.

DAVID: How do you spell your last name again, Jim?

JIM: C-A-V -- C-A-V --

DAVID: All right, just a second. C --

JIM: -- A-V

DAVID: Wait a minute. The pen just died on me. Looks like a brand-new one, too.

JIM: Hmmmm.

DAVID: Can you all give me another pen, please? Sherry, try to get this to write. I need Sherry? Sherry's not behind me, is she? Oh, okay

she's yeah, yeah. C-A-V? C-A-V?

UNIDENTIFIED MALE SPEAKER: I'll connect it off.

JIM: David?

DAVID: Yeah.

JIM: Did you get your pencil?

DAVID: Yeah. C-A --

JIM: C-A-V-A-N-A-U-G-H.

DAVID: A-N --

JIM: A-U -- C-A-V-A-N-A-U-G-H.

DAVID: -- A-U-G-H. Okie doke.

JIM: Is she getting the kids ready?

DAVID: Yeah. Are those other kids there yet?

(Pause)

JIM: David?

DAVID: Yeah.

JIM: Are you okay, Buddy?

DAVID: Yeah, I'm all right.

JIM: I just heard you groan a little bit. Are the kids -- I don't hear the kids.

DAVID: You don't hear the what?

JIM: I don't hear the kids.

DAVID: Oh, well, you all kids want to make some noise?

JIM: (Laughing) That's usually not a

problem, kids making noise.

DAVID: Oh, there's babies all in here, hollering. I keep looking at them the last, last time.

JIM: Yeah. You'll see them again.

DAVID: Oh, I know. I promise.

JIM: Who's helping them, Sita or Sonja or what?

DAVID: Is Sita -- yeah, they're back.

JIM: Is Sita there?

DAVID: Where's Sita?

UNIDENTIFIED FEMALE SPEAKER:

DAVID: She can come here.

JIM: Yeah, let me talk to her a minute.

DAVID: All right.

Sita: Jim?

JIM: Hi, Sita.

Sita: Yes?

JIM: That went smooth, okay?

Sita: Oh, yes, fine. I just forgot one thing to give to the guys.

JIM: Okay.

Sita: But I'll give them the next round.

JIM: That's great, that's great. Now, are, are these next two ready 'cause I've got the car there waiting, so I wanted to kind of get them out.

Sita: Okay. Is there ladies watching the

baby?

JIM: Yes. Oh, yes, absolutely. I've got two ladies here.

Sita: So you (Indiscernible) I, I gave you the milk and the carob. I forgot to get the honey.

JIM: Yeah. Give me the info on these next two. Is it -- is this Scott and Chrissy Mabb?

Sita: Yes, Scott and Chrissy Mabb.

JIM: And how old are they?

Sita: How old are you? Eleven

JIM: Okay.

Sita: -- and seven.

JIM: Okay.

Sita: Scott is 11.

JIM: Okay.

Sita: And Chrissy is seven.

JIM: Okay. All right, good. Why, why don't you go ahead and get their coats and let them kiss and hug there and say goodbye and take them out because the car is at the water tower?

Sita: Okay.

JIM: Okay? And listen.

Sita: Yeah?

JIM: And then -- I told David I'm going to have to get off the phone for a few minutes, but I'll be back and, you know, I'll let you talk to them and

all.

Sita: Okay. You want to talk to David before you go out?

JIM: Yeah, let me have David. You walk them out right now, okay?

Sita: Okay.

JIM: 'Cause the car's waiting and I need to get the word.

Sita: Okay.

JIM: Okay, Sita. Thanks.

DAVID: Hello.

JIM: Hey, Buddy, she, she does a good job.

DAVID: Oh, so they're going to open our telephone lines up now?

JIM: No, I haven't got the word on that.

DAVID: Oh, this is what they were saying on the radio, that

JIM: Oh, really?

DAVID: Yeah.

JIM: Listen, this Scott, he's 11 years old?

DAVID: Yeah.

JIM: Yeah. He must be a big boy.

DAVID: He's, he's kind of small. He's thin. Hey, guy, don't worry about it, okay?

JIM: Yeah, we'll take care of him. Tell him

DAVID: Hey, you can take your motorcycle, too. You be sure and tell them that one of the motorcycles here is yours, okay? All right.

JIM: We move before we -- okay.

DAVID: I'll be sure and tell him that -- when this is all over that the motorcycle's yours, all right? Okay. All right. Love you. Bye. Come here and give me a kiss. Love you. Remember all I taught you, okay? And you're going to be a good girl now, right? -- yeah, I'm going to, I'm going to lick it.

DAVID: Okay. All right. Now, Jim --

JIM: Yeah.

DAVID: -- make sure these guys are bringing the kids to you.

JIM: Yeah.

DAVID: So you make sure you -- when you, when you get this that I'm giving to you, you know, and you open this up, I want you to tell me exactly what's in it, all right?

JIM: You've got it, I will.

DAVID: Okay. All right. Have the kids gotten there yet?

JIM: No, uh-uh. They sure haven't.

DAVID: They haven't gotten there yet. She's getting them ready.

JIM: Hey, David, I really want to thank you. I appreciate this.

DAVID: Oh, well, I appreciate it.

JIM: You know --

DAVID: I've always had faith in mankind, you know, that you don't have to always be so beastly.

JIM: Well

DAVID: You know?

JIM: -- you're, you're a wise man.

DAVID: I figured, I figured you all would turn back when I told you there was women and children here, but, you know

JIM: Are they coming? Are they -- got their coats on?

DAVID: Yeah, they're getting all ready.

JIM: Getting all ready? Here, give me Sita again. Is she there?

DAVID: Yeah, she's here.

JIM: Okay, let me talk to her.

Sita: Hello?

JIM: Sita?

Sita: Yes.

JIM: Okay, are they ready?

Sita: Yes.

JIM: Okay, you going out now?

Sita: Are they playing the --

JIM: We already played it.

Sita: We didn't hear it.

JIM: Oh. Well, we played it before. I'll play it again. I mean, I will.

Sita: Thanks a lot.

JIM: Okay. Just take them out to the car, okay?

Sita: Okay.

JIM: Okay.

(Pause)

JIM TO UNIDENTIFIED PERSON: Losing them. What's happened? They're not there. Have you got them? Dead. Okay. Okay.

JIM: David? David?

JIM TO UNIDENTIFIED PERSON: I've lost him.

* * * *

STEVE: Hello.

JIM: Hey, Steve?

STEVE: Yes.

JIM: This is Jim.

STEVE: Hi, Jim.

JIM: Hey, that phone just went --

STEVE: Okay.

JIM: off on me.

STEVE TO UNIDENTIFIED PERSON: Where are they at now? So, have they been -- the, the other group has

been picked up, right, the two?

JIM TO UNIDENTIFIED PERSON: Have they picked them up?

UNIDENTIFIED MALE SPEAKER: The first two, yes.

JIM: Yeah, the first two we got.

STEVE: Okay.

JIM: But Sita was coming out right now with

STEVE: Yeah. I guess they're waiting to hear that announcement on the radio.

JIM: Oh. We played it, though, a while -- we'll play it again.

STEVE: Okay.

JIM: I mean I'll play it twice for you. Just I've got the car sitting there and --

STEVE: Okay.

JIM: I wanted to get them, you know.

STEVE TO UNIDENTIFIED PERSON: He says he'd like to get them. He's going to play it twice for us.

JIM: Steve?

STEVE: Yeah.

JIM: Did Sita take them out?

STEVE: Not yet. She's standing right here.

JIM: Oh, okay.

STEVE: She's right here. They're ready to

go.

JIM: Ready to go. The car is waiting.

STEVE: Okay.

JIM: So just have her go. Just go on out.

STEVE: There are four to six guys camouflaged right now down at the barn. Honestly, no joke.

JIM: Four to six guys at the barn?

STEVE: Yes.

JIM: I don't know where that is. Is that the back barn?

STEVE: Yes, yes. It's kind of a block, a cement block building.

JIM: Okay.

STEVE: They're on the property.

JIM: Oh, on the property. Okay.

STEVE: They're on the property.

JIM: Okay. Let me, let me check on this, okay?

STEVE: All right. Okay.

JIM: Hold on one second.

STEVE: All right.

JIM TO UNIDENTIFIED PERSON: Hey, Steve, Steve said that there's four guys at the barn. Check on that.

JIM: Okay, we're checking.

STEVE: All right.

JIM: The barn --

STEVE: Just hold on one minute.

JIM: Okay. Hey, Steve.

STEVE: On the other side of the fence then, there's two or three guys crouched.

JIM: Oh, which fence now are we talking about?

STEVE: Right in the back.

JIM: Well, I'll check on it, but --

STEVE: Okay. But right on the property, sure, you know, I mean --

JIM: I'll check on it, but, look, Sita has guaranteed safe conduct.

STEVE: Right, I realize that. But, you know, they, they always get nervous when, you know I don't understand why those guys are doing that. We want to keep right on moving with this.

JIM: Right. Well, go ahead and send Sita out. The car is waiting. In the meantime, I'll, I'll follow up on that. But, you know, if it's way out in the back, you know, I'll check on it.

STEVE: Okay.

JIM: And, you know, we'll get it fixed. But go ahead and send her out. Oh, hey, Steve. Steve.

Steve. Are they coming?

STEVE: Yeah, they're coming.

JIM: Okay. I just found out

STEVE: Yeah.

JIM: -- you're right. There were people there. They were police. I just found out, we just gave them the word to move back.

STEVE: Okay, thank you.

JIM: I'm sorry that happened.

STEVE: Okay, I believe that.

JIM: They were, were not supposed to be there.

STEVE: Thank you much.

JIM: It was a, you know, -- there was a lot of people involved and, you know, communications

STEVE: Right.

JIM: But we got the word for them to move back and -- yeah, we're having a shift change.

STEVE: Pardon?

JIM: We're having a shift change.

STEVE: I see.

JIM: And, you know, we've got a lot of people here and everybody's moving around, you know, and --

STEVE: Right.

JIM: -- I told David we're -- they're

kicking us out of this building we're in. We've got to go across the alleyway here to another place.

STEVE: Oh, no. Really?

JIM: It's no problem. It's just more room, you know?

STEVE: Right.

JIM: And then we're having a shift change and there's people moving all around. You know what I mean. So, I'm sorry it happened, but

STEVE: Right.

JIM: -- we moved them back. Did Sita, did Sita leave?

STEVE: Just a minute, let me see 'cause she went down.

JIM: Okay.

STEVE: Yes, she did leave.

JIM: She did leave? Okay.

STEVE: Yeah, she left from up -- she left from where I'm at here.

JIM: Okay. All right. Here's what we're going to do. We're going to --

STEVE: He says, he doesn't -- he says, I don't want to rush these kids out of here.

JIM: Oh, no, no. No, no. Here's what we're going to do. I'm going to wait till they make the hook-up.

STEVE: Okay.

JIM: Okay? And then I'm going to have to I'm going to tell you we got them safe, and then I'm going to have to get off 'cause they're switching my office. Okay?

STEVE: Okay. How long will that be then (Indiscernible) return?

JIM: You know, half hour, 45 minutes.

STEVE: Okay.

JIM: And, and just take a break and, you know, maybe you and David can get some time and talk and --

STEVE: Yeah, he said, you know, he was giving up, he said, the most precious thing in life.

JIM: I know.

STEVE: Yeah, these women. They are, the women are giving up, you know, their most, you know, it came from their body.

JIM: I understand and

STEVE: I know you do. Are you a father, too?

JIM: Yes, I have two children.

STEVE: Oh, that's good. Yeah, you would understand. It's hard for him to let them go.

JIM: Well, he's not giving them up. I mean, he --

STEVE: Well, you know what I mean, though, just even for a, you know --

JIM: A little while, yeah.

STEVE: Exactly. I know, but you know how mothers are.

JIM: You, guys visit and talk and --

STEVE: Exactly, right.

JIM: -- while we take a break, you know. I'm hoping maybe David's ministry will go on and I want you guys to talk about that and us resolving this thing.

STEVE: Right.

JIM: You know, we can do it --

STEVE: Right.

JIM: -- and he, and he needs -- Steve, I'm going to tell you something -- where you can help me he needs some medical attention. I'm really worried about him.

STEVE: Oh, I've been telling him that, but he keeps on saying he's fine.

JIM: Yeah. Well, you, you talk to him for me and --

STEVE: Okay.

JIM: -- and just we're concerned. I mean, an infection or something, you know.

STEVE: Right.

JIM: We're just concerned about him. I mean, you know

STEVE: Yeah, I know. I was after him even an hour ago.

JIM: Yeah, we, we, we, we've got enough tragedy. We don't want any more.

STEVE: Right.

JIM: And, you know, you think about it and talk with him.

STEVE: Okay.

JIM: We'll try to get him --

STEVE: All right. You want to call me back then?

JIM: I just wanted to give you the word we had the children.

STEVE: Okay, so I'll hang on.

JIM: Just hang on for just a second.

STEVE: All right.

JIM: I'm going to check and see if they've got them.

STEVE: Right. Okay.

JIM: Hold on one second -- all right, they're still coming I guess. I guess they're walking down or something. Since -- (Unidentified male voice in background not discernible.)

STEVE: Jim, I'm just going to --

JIM: Go ahead.

STEVE: Pardon? I've got another -- I got a call and I'm going to just talk to someone here.

JIM: You've got a call?

STEVE: Yeah.

JIM: What is it, a reporter or something?

STEVE: Somebody that I guess we knew from quite a while ago, you know, one that was here. You know, are you okay and all that?

JIM: Oh, one of your, one of your people?

STEVE: No. Apparently somebody that knew of us and, you know, it's just like some of these people are calling the radio, well, you know, do the right thing, they say, and, you know, say well, you know, that's exactly what we've got to do.

JIM: Yeah. Okay, well --

STEVE: Can I call you back? Or, wait, I'm going to go talk to him.

JIM: Well, wait just a second, because I wanted to -- let's get the kids done and then I'll get right off, okay? You know what I mean?

STEVE: Yeah.

JIM: I just want to hook them up and then, and then we'll get off for a while.

STEVE: Just a minute.

JIM: Yeah, Sita, Sita's out there.

(Unidentified male voice in background not discernible.)

JIM TO UNIDENTIFIED PERSON: Do we, do we have them?

UNIDENTIFIED MALE SPEAKER: No. They haven't left the compound?

JIM TO UNIDENTIFIED PERSON: They haven't?

DAVID: Okay, they're -- Jim?

JIM: Hey, David.

DAVID: Okay.

JIM: Where's Sita?

DAVID: I'm listening to this Dobbs guy try to explain away everything.

JIM: Where's Sita at?

DAVID TO UNIDENTIFIED PERSON: Where's Sita, is she downstairs now?

JIM: Okay, they're getting in their --

DAVID: They're in the car?

JIM: Yeah, Sita's getting in her car, I think.

DAVID: Okay.

JIM: Yeah, okay. That's what Steve said. Okay.

DAVID: Well, you -- the guys down at the tower will probably see them. Where I'm at, I can't see them.

JIM: Yeah, okay. Okay. And the car's waiting on them. Listen, as soon as we hook them up, okay, which is going to be in just a few -- two minutes, I've got to get off because they're switching my office. Okay?

DAVID: All right.

JIM: And I'll call you back. We're having a big shift change. There's all kinds of police, you know, that worked all night and agents that are moving around, ambulances, you know. You know, everybody's got to go to bed, you know.

DAVID: Yeah.

JIM: You can appreciate that.

DAVID: Oh, yeah.

JIM: So everybody's moving around and they're kicking me across the alley, so --

DAVID: Okay.

JIM: I'll call you back, you know, in about 45 minutes. But I want to give you the word we've got the children first.

DAVID: Okie doke.

JIM: And then, and then we'll get the children to talk to you when I get back on, you know, later.

DAVID: Okay.

JIM: Okay?

DAVID: Okay, I'll let you go now.

JIM: Hold on, let me tell you I've got them first. I don't want to have I want to make sure I've got them, so that -- yeah (Indiscernible) says what? They didn't come out yet.

DAVID TO UNIDENTIFIED PERSON: Where are they at? Where are the kids at? Have they left yet?

JIM: Okay. Yeah. David?

DAVID: Yeah.

JIM: I think they're out front. Tell somebody to tell them to come on.

DAVID TO UNIDENTIFIED PERSON: Tell them to go ahead and go down. (Unidentified female voice in background not discernible.)

JIM: Man, you're hurting, huh?

DAVID: Yeah, Jim, it, it hurts.

JIM: Yeah.

DAVID: I won't lie to you.

JIM: Well, think about -- I want you to think about me getting you some medical attention. I want you to think about it.

DAVID: I'm telling you, you've got all these guys out there that are just telling everybody that I'm a cult leader.

JIM: Well, that wasn't us. You know --

DAVID: As long as I'm alive, I'm a cult

leader.

JIM: Yeah.

DAVID: Now, when I'm gone, see, then I'll be removed out of the way and people will be free to think their own thoughts.

JIM: Well, I don't want you to be gone. I, I want to I'd like to see your ministry carry on and I'd like

DAVID: My ministry -- I've been in it ever since 1985 full force. One out of a thousand people, okay?

JIM: Yeah.

DAVID: One out of a thousand are interested in the Bible enough to learn

JIM: David, I'm sorry. They're coming, Sita's coming right now.

DAVID: Okay.

JIM: Okay? I want to give you the word in just a minute. I just want you to think about, think about some medical attention. Talk to Steve. He, he's your right-hand man.

DAVID: I've thought about it.

JIM: He's your right-hand man.

DAVID: Well --

JIM: Listen, you can trust him. You guys talk about it during the break, okay? For me, for me.

I'm asking you to do it.

DAVID: Okay.

JIM: I'm concerned about you.

DAVID: Yeah. See, you don't understand.

JIM: Listen, I care about you. I'm concerned about you.

DAVID: I know you care about me.

JIM: I was able to get

DAVID: I know the system cares about me.

JIM: No --

DAVID: And I know -- look, I've -- look, in 1988 I was arrested, all right?

JIM: Um-hum.

DAVID: Let's get real now.

JIM: Yeah.

DAVID: In 1988, we were out here, we got in a confrontation and I praised the Lord when I heard those sheriff's cars coming, okay? So, when they came into get me, we put our weapons down and we was waving them in, 'cause George is the one that was paying Mr. Rambo. Now, when they came in, the guys got all out and says come on over and let's talk. All right, no problem. They were aiming on us. Once we put all our weapons down, we came over.

I saw Mr. Thorn. I said, you know, how you doing, Mr. Thorn? He kind of frowned at me a little

bit, you know. See, those guys knew we was out here. Anyway, they said now, boys, is this all you got? Yes, sir. Yes, sir. Then all of a sudden, get on the goddam ground -- and they started kicking at us.

JIM: Hmmm.

DAVID: And there was ants all over the ground. We got bit by red ants, you know. I mean, talking about -- now, you know, that's, that's not right because they were supposed to have come out here and dealt with George. They should, they should have never sent us.

JIM: Yeah, yeah.

UNIDENTIFIED MALE SPEAKER: What's going on now?

DAVID TO UNIDENTIFIED PERSON: A flag? What about it? Okay, put up -- Well, go ahead and put up our flag. Yeah.

JIM: You know, I remember -- you were talking about '88. Hello? David?

DAVID: Yeah.

JIM: Oh, you okay? I want you and Steve to talk and, and think about getting some medical attention, okay? I just want you to think about it. I was able to get all these agents to the hospital and get them taken care of, okay?

DAVID: Uh-huh.

JIM: And everybody that got there is good, and some of those guys were really tore up. Some of them were tore up worse than you and they're all doing good. And I, and I'd like to -- you to think about it, okay?

DAVID: Yeah.

JIM: I mean, it just concerns

DAVID: I've thought about it.

JIM: It concerns me and I want you to talk to Steve about it, you know. Will you promise me you'll talk to Steve or

DAVID: Well, I've been talking to him all the time.

JIM: Well, I mean, but about you getting some medical care. Get his advice, you know, think about it, and, you know, it's a wise man who can change his mind and a strong man who can change his mind. And I think you're both of those.

DAVID: Well

JIM: You know, only a weak man, you know, couldn't change his

DAVID: The seven seals.

JIM: There's so much inside you. I mean, you can do it.

DAVID: The seven seals, Jim.

JIM: Yeah, I know, David.

DAVID: Okay.

JIM: I just, I just don't want you to suffer any more.

DAVID: Well, the children are there, right?

JIM: Okay, they're almost together, the agent said. Just a minute.

DAVID: Okay. Well, let me let you go, and give me a call back, okay?

JIM: No, I want to get them just -- I don't want any mistakes. If something were to happen, you know, you, you guys would feel bad and I'd feel worse. So, let's get them together. I'll give you that word and then, you know

DAVID: Okay. Well, let me let you have the phone with someone else real quick so I can get do I've got to do some moving around.

JIM: Okay, David. Yeah, sure.

JAMIE: Hello?

JIM: Who's this?

JAMIE: Jamie.

JIM: Jamie, this is Jim.

JAMIE: Oh, hi, Jim.

JIM: How you doing?

JAMIE: Pretty good.

JIM: Okay.

JAMIE: I think he's just moving -- getting

himself up here, trying to move around.

JIM: Oh, that's okay. I know he's hurting real bad. Sita's down there with the kids and we're trying to just --

JAMIE: Okay.

JIM: -- get you the word.

JAMIE: Yeah. Okay, here, here, he's back.

JIM: Okay.

DAVID: Okay.

JIM: Hey, Dave. Did you get more comfortable? Oh, Dave.

DAVID: Sorry about that.

JIM: Hey, you okay?

DAVID: Two things I don't want to do, and that's laugh and cough.

JIM: We got the kids. They're safe. We got the kids.

DAVID: Yeah, it's my arm -- thanks. Go ahead.

JIM: You hear?

DAVID: Yeah.

JIM: We've got the kids, okay? Everything's great. We're going to take a break. It'll be good for you, be good for everyone.

DAVID: Yeah, I need to rest up, get my energy going.

JIM: Hey, I love you, Buddy. Now hang in there.

DAVID: Okie doke. Catch you later, Jim.

JIM: All right, bye.

DAVID: Bye.
