U.S. DEPARTMENT OF THE TREASURY
BUREAU OF ALCOHOL, TOBACCO & FIREARMS

TAPE #11A

03/02/93

DAVID: -- cut our lines off so I can't talk to the radio programs. They're telling people that I'm not communicating with them. And the reason being is you all cut all our lines out.

HENRY: Did, did -- was somebody working on that?

DAVID: Well, Jim said so. But you know, we know what's going on.

HENRY: We want this thing to be resolved in such a fashion that everybody comes out of this fine. We don't want anybody else to get hurt. That's number one. Number two, if you have a message, we certainly would like for you to --

DAVID: Okay. Wait a second.

UNIDENTIFIED FEMALE SPEAKER: Someone's in the tower? What?

DAVID: Someone's in the -- they're, they're coming in.

HENRY: No, they are not coming in. There is nobody anywhere close.

DAVID: Okay, look. Hey, wait a minute.

UNIDENTIFIED FEMALE SPEAKER: David was

UNIDENTIFIED MALE SPEAKER: David --

DAVID: What's he doing on the roof?

UNIDENTIFIED FEMALE SPEAKER: What's he doing on the roof --

HENRY: Who's on the roof?

DAVID: Wait a minute. It may be one of our guys.

HENRY: It's got to be.

UNIDENTIFIED MALE SPEAKER: -- looks like he's in -- it's one of the tower sentinels.

DAVID: Okay.

UNIDENTIFIED MALE SPEAKER: Oh, shit.

HENRY: It's, it's got to be one of yours. Because our people are not moving in. Nobody is. The only, the only reason we're going to move in is --

DAVID: Wait a minute.

HENRY: -- is to pick up the kids.

DAVID: (Unidentified voice in background not discernible.) What? (Unidentified voice in background not discernible.)

UNIDENTIFIED FEMALE SPEAKER: Tell him --

UNIDENTIFIED MALE SPEAKER: They were just going to shoot --

DAVID: Okay. I'm sorry. What's your name, Harry?

HENRY: Henry.

DAVID: Henry, I'm sorry.

HENRY: That's okay, David.

DAVID: Okay. Now I asked, I asked Jim, I said Jim, listen. If they'll let me present -- I mean,

you know, this is our lives. You know, this depends on how much you respect our lives. You know, if a man had a -- let's say I was before a firing squad. You would give me at least one last cigarette, wouldn't you?

HENRY: Absolutely.

DAVID: Okay. If you would just allow me to show one or two seals on radio, you know, get people I mean, I know it's asking a lot from this system today. You know everything costs money, air time and all that. I'm, I'm aware of that.

HENRY: Um-hum.

DAVID: And I've spent thousands of dollars, you know. I've been traveling and trying to get the message out.

HENRY: Um-hum.

DAVID: If you'd just let me present, you know, the seals the way I see them.

HENRY: Uh-huh.

DAVID: You know, then people would be able to judge for themselves.

HENRY: I'll tell you what --

DAVID: And then based upon that, we can arrange something to where we all come out.

HENRY: Okay. I will work on exactly that. And you telling me, David, I'm trusting you. And I'm putting myself totally in your hands that if I can

arrange to have you do that that everybody will come out.

DAVID: What I'm saying is is this. I'm saying that once I'm able to present this if you individuals, if you don't cut me off and don't, you know, don't do like what's been happening so far, right, where everyone cuts me off. You know, hitting me from the side with the questions that do not regard the points I'm trying to make then we'll come out.

HENRY: You're telling me --

DAVID: I'm telling you

HENRY: You are telling me and you're -- and I'm holding you to your word that

DAVID: Is that

HENRY: if I can make arrangements to have you talk to the radio and what I will do is I will work on, on have you talking to, to a radio -- I'll tell you what. We will -- what I'll do is I'll try to work on getting you something totally and completely different from anything that you've had before in such a fashion that, that we can present this, and it will go out to a lot of radio stations. How's that? Would you be willing to make a tape?

DAVID: A tape? It's better if I give it live. I mean, you know, I don't need to make a tape. Because, you know, like I say I'd like to hear it.

HENRY: Okay.

DAVID: Make sure it's going, you know, nationwide or whatever.

HENRY: Okay. Could you come out and do that outside?

DAVID: I can't move.

HENRY: We'll

DAVID: I can do it on the phone

HENRY: -- we'll carry you out.

DAVID: No.

HENRY: I'm saying if, if you want to do it. I'm --

DAVID: No, see, there again we can't do that.

HENRY: I'm, I'm -- I was just asking --

DAVID: On, on --

HENRY: if you wanted to do it that way. If you don't, okay.

DAVID: On the telephone.

HENRY: On a telephone?

DAVID: On the telephone.

HENRY: Okay.

DAVID: And you know --

HENRY: Let me work on that.

DAVID: Okay, then get back with me. Okay?

HENRY: Okay.

DAVID: Because I (indiscernible) I'm losing by --

HENRY: Okay. Let me just ask you something. We were working on getting some more kids out. Are you ready to send a couple more kids out?

DAVID: Well, let's, let's work on this now. And because this avenue like I told Jim, I said Jim, you know, because he's supposed to be still working with me. I -- what did he do now?

HENRY: Well, he's, you know, he's been forever. We're going to have to give him a little bit of a break. You understand that?

DAVID: Yeah.

HENRY: Okay. And I'll -- and I promise to work with you in the same fashion that he has. Now let me, let me just propose a couple of things to you. You consider them, okay?

DAVID: Okay.

HENRY: One of the things that I want to propose is if we make a tape recording, one of the things that we ensure is that nobody is going to interrupt you with crazy questions or comments or anything like that.

DAVID: Okay. What we'll do then is we'll, we'll -- maybe we can make a tape and a video. And then maybe you can play that.

HENRY: Now do you have, do you have a video?

DAVID: Yes, we have high eight.

HENRY: Okay. Well, why don't you start working on that, and I will start working on it from this end.

DAVID: Okay. All right, then we'll do something.

HENRY: Okay. Now I'm going to a little --

DAVID: That way at least you'll know where I'm coming from.

HENRY: I'm going to need a little bit of time so that I can, so that I can work on this. In the meantime, can we get --

DAVID: Okay.

HENRY: -- some more children out or do you --

DAVID: Let's just hold off until we get this spot figured out, all right?

HENRY: Okay.

DAVID: I need, I need some -- see, I gave, I gave Jim some money, right?

HENRY: Yes. We have the money here.

DAVID: And he was going to pick me up a phone, because our phone's really pretty bad. A lot of people use them and we needed, we needed a better line. Okay? Because you know we're -- I mean well, I can't

move, so we're long extension.

HENRY: Okay.

DAVID: And so if we can get a new line and a phone from, you know, like I said I was going to pay for it.

HENRY: Okay.

DAVID: Then we'd have better reception.

HENRY: Okay. But do this for me, because I need to have these people, these bosses, you know, they're always real pushy. You understand that?

DAVID: I realize

HENRY: Okay.

DAVID: -- you got a lot of chiefs there.

HENRY: Right. Send me two more kids while we're working on this so that they can, you know --

DAVID: I'll do that.

HENRY: Okay. Okay.

DAVID: Okay?

HENRY: So what I'll do is whenever you

DAVID: I'm glad you have a concern for the children like I do because I have --

HENRY: Yes. Okay. What we will do is I will start working on this, okay. And it's either going to be a video and the audio, or at least we're going to get radio. But I'll get you something. Or I'll go to work on getting you something. Okay?

DAVID: Yeah. Let's, let's -- like I say you'll, then you'll know, understand where I'm coming from.

HENRY: Okay. But I want you to understand, okay, I'm going to hold you this. You're telling me that --

DAVID: I --

HENRY: -- that you're going to send everybody out. I'm going to want everybody out.

DAVID: Okay.

HENRY: Okay.

DAVID: Do what you can though.

HENRY: Okay. But send me a couple of kids. I'm going to send a car to pick up the two kids.

DAVID: You got the van there now?

HENRY: I'll send it, I'll send the van out. Can we get the van over there?

DAVID: Yeah, well, give me a call or

HENRY: Okay. The van is going there right now.

DAVID: Okay.

HENRY: And in the meantime, I'll work on this and I'll call you back in a little bit.

DAVID: Okay. Thanks.

HENRY: Thank you, David.

DAVID: Bye.

HENRY: Bye-bye.

[gap]

* * *

UNIDENTIFIED MALE SPEAKER: Blew the transmission.

UNIDENTIFIED MALE SPEAKER: Oh, good.

[gap]

* * *

STEVE: Hello?

HENRY: Hello, David?

STEVE: This is Steve. Is this Henry?

HENRY: Yes, Steve.

STEVE: Henry -- do you want to talk here?

DAVID: Okay. You ready?

HENRY: The car is ready to pick up the kids.

DAVID: Okay.

HENRY: Do you have the kids ready?

DAVID: Yeah.

HENRY: Okay.

DAVID: Why don't -- (screaming in pain)

HENRY: Are you okay? Are you okay?

DAVID: Oh, God. I'm back.

HENRY: Are you okay?

DAVID: I'm bleeding again.

HENRY: Geez.

DAVID: I coughed. Wait a minute.

(Groaning.) Oh, boy. It got me by surprise.

HENRY: Um.

DAVID: Got the one hole in the front, one in the back. And when I -- if I laugh or if I cough it starts it up again.

HENRY: Sure.

DAVID: (Groaning.) Boy. Okay.

HENRY: Which kids are you going

DAVID: When -- okay --

HENRY: are you going to send down? Would you be interested in sending out --

DAVID: Jamie. His name's Jamie and Joshua.

HENRY: Who's, who -- how old are they?

DAVID: Well, Jamie's an invalid. So you have to be -- you got a special chair and all that.

HENRY: Okay.

DAVID: The social workers here in town they -- oh, man. They know him. And Joshua, he's, I guess he's about -- how old's Joshua now, 6? How old's Joshy?

UNIDENTIFIED FEMALE SPEAKER: Seven. Joshua's 7.

DAVID: He's turned 6.

UNIDENTIFIED FEMALE SPEAKER: Joshua's 7.

DAVID: Oh, he's 7 now? Okay. He's 7.

HENRY: And Jamie?

DAVID: And Jamie he's

UNIDENTIFIED FEMALE SPEAKER: Nine. Nine.

DAVID: He's 9 but he's like 3, you know, 4.

HENRY: Okay.

DAVID: Okay?

HENRY: Are they your kids?

DAVID: No.

HENRY: Okay.

DAVID: Okay. We'll send a little, little paper with them, you know, that tells you their closest to kin and, and all that stuff, okay?

HENRY: Okay.

DAVID: (Groaning.)

HENRY: I presented, I presented the idea. And, and so far it's looking, you know, pretty good. But we, we have a bit of a problem in terms of the time. Can you make a do you have something that you could work with so that you can make an audiotape? Do you have a recorder?

DAVID: Yeah, but I just can't get to it. And it's, it's sophisticated.

HENRY: They can't bring it over to you?

DAVID: We can't, we can't do a little video?

HENRY: Well, see, what we're hoping to do and, and because this is a serious situation, okay.

DAVID: Yeah, it's very serious.

HENRY: We're hoping to, to get this to a serious Christian broadcasting network type national, you know, broadcasting network that would, that would give us maybe, you know, nationwide coverage on this thing.

DAVID: Uh-huh.

HENRY: And if we talk in terms of a video, by the time we get it from here to, to --

DAVID: To have it edited, transferred over to --

HENRY: Yeah.

DAVID: -- to 10 -- is it 10 -- I forgot what millimeter, 30, 33, 35 millimeter. Anyway, yeah.

HENRY: Um-hum. Um-hum.

DAVID: I know what you're saying.

HENRY: So if, if -- do you -- if we could, if we could --

DAVID: Steve, how many, how many -- do you know where -- do you think we could break down the studio and bring some, you know, take out of the rack and bring some (indiscernible) and stuff recorder in. Because we need to do an unedited, high fidelity tape. Okay.

STEVE: Get Greg.

DAVID: Okay.

STEVE: Greg would know how to do it,

wouldn't he?

DAVID: Yeah. I can't get down there to it so. Yeah, that's what we'll do.

HENRY: Okay. And you know how everybody's concerned about money. And I mean everybody is, has a concern. Can you do me a favor, and can you make it, you know, like in such a fashion that, that in order to avoid their wanting to chop it up or to play part of it or whatever

DAVID: How much, how much does it cost their air time?

HENRY: Well, that's the whole thing.

DAVID: Per minute?

HENRY: That's the whole thing. You know, so keep --

DAVID: How much does it cost?

HENRY: I don't have any idea. But there's

DAVID: Give me the price and I'll pay it.

HENRY: Oh, I don't have any idea. I have no idea. But what I'd like to do is I would like for you to make it as concise and as brief as you can make it so that we can be in a situation where your word will, will get out. Nothing will be chopped off. Your message will go out as you want it, you know.

DAVID: Well, like I say remember I'll even

buy the time. You know?

HENRY: Well, you know, we don't need --

DAVID: We will fund it.

HENRY: we don't need that. We -- what we want is we want you to -- you were given your cooperation, and that's what we promised what we would do. So I want to live up to my part of it. Yeah, I don't need your money. But I do need --

(Touch tone sounds.)

DAVID: Hello? Hello?

HENRY: Jesus.

DAVID: Hello?

HENRY: Hello.

DAVID: Hello. What's going on now?

HENRY: Who was that?

DAVID: Yeah. (Unidentified voice in background not discernible.)

HENRY: What -- you know, what I, what I would like to see is I would like for you to, to prepare yourself in such a fashion that you get your message out and --

DAVID: Okay, wait a second.

HENRY: Now, I'm a little bit confused about one thing. Okay? I, I know that you're, that you are a man of your word number one. And number two, I know that you know what you're talking about in terms of

theology. I'm not as -- I'm not nearly versed as you are, okay? But one of the concerns that I have is I am taking you to your word and that is that you're going to come out and that everybody is going to come out and this thing is going to be resolved without anybody --

DAVID: Getting hurt.

HENRY: Getting hurt. That includes you.

DAVID: Except for what crimes we have to pay for what we've committed that is that. The world so speaks.

HENRY: And that includes you. Am I correct in assuming that

DAVID: No, it's not an assumption. It's a fact.

HENRY: Okay. Everybody's going to come out, and everybody's going to be fine, and there's going to be no shooting, and there's going to be nothing to, to cause anybody to do anything to hurt you. I don't want anybody to hurt you. Am I, am I correct in my assumption?

DAVID: You're correct on that.

HENRY: Okay.

DAVID: So let's, let -- I got to start editing this and, and you got the van down there for the children, right?

HENRY: Yes.

DAVID: Okay. Be sure and tell them we're coming then, all right?

HENRY: Okay. Now, now listen, listen to what I'm going to tell you. I don't know if this van is going to stop in exactly the same place as the other van. It's going to be real close. The only reason that I'm telling you that is whoever's going to take the kids there, you know, these are two new people, because we've had a changing of a shift, okay? So --

DAVID: Okay. But just at the water towers --

HENRY: Right. Right.

DAVID: -- like it was before.

HENRY: But, but I mean, you know, they may be 20 feet back or, or 5 feet forward from where they parked before. I don't want her to get a concern, whoever it is that's taking them there well, it's, they didn't park in exactly the same place. Nothing's --

DAVID: Okay.

HENRY: going to happen other than what has happened before.

DAVID: You got a radio communication, right?

HENRY: Right.

DAVID: Okay. Like I say, we'll get the kids ready and

HENRY: Right.

DAVID: Are they down there now?

HENRY: Yes. Now what, what we're going to need is I would like to try to start trying to find you medical help.

DAVID: No, not yet.

HENRY: Okay.

DAVID: Let's get the other done.

HENRY: Yes, we'll get -- no, I mean that's fine. And I understand that. And I'm not saying, you know, I'm going to send anybody in there. I want start preparing to have something ready for you after you do your tape and all of that. Okay?

DAVID: Okie doke.

HENRY: Okay.

DAVID: Okay. Now I need to -- going to send the kids.

HENRY: Okay.

DAVID: He's going to get the equipment set up.

HENRY: Okay.

DAVID: I'm going to drink a little orange juice, get my breath up a bit. When I, when I cough, oh, man. I'll tell you. Anyway never mind.

HENRY: How much time do you think you have?

DAVID: Well, see it's, it's like I get, I get renewed.

HENRY: Uh-huh.

DAVID: You know, and then, you know, the pain and all of a sudden I get where it's like something's developing in my chest. It's like -- I don't know. It's, it's kind of like a -- it's not a cold it's

HENRY: Like an infection?

DAVID: I don't know if it's an infection or not. It's just -- I don't know. It's just a -- it's kind of like you know how you feel when you feel like you're fixing to get the flu?

HENRY: Yes.

DAVID: Something like that.

HENRY: Well, are you sure you, are you sure --

DAVID: You know, you go up and down.

HENRY: Are you sure you don't want us to send you some medical help?

DAVID: No, not yet. Let's, let's --

HENRY: Okay.

DAVID: -- we're on a good road right now. That's what I've been trying to

HENRY: Okay.

DAVID: that's what I was trying to work with Jim all along.

HENRY: Okay.

DAVID: You know, I was trying to get a trust in him to see if he would, you know, really let me get these kids out, you know, the way I wanted to get them out.

HENRY: Okay.

DAVID: And he's been very good to me.

HENRY: Okay. Well --

DAVID: And --

HENRY: -- we want to, we want to continue in that same vein. We don't want to change anything or, or make anything in such a fashion, you know. And when you kept telling me that there was somebody in that tower or in the roof, I knew that there wasn't anybody, you know, because

DAVID: We found out what it was.

HENRY: Okay. Well, we appreciate, you know, we appreciate your trusting us. We continue to trust you.

DAVID: (Groaning.)

HENRY: We want to continue working in this fashion. I would like, I would for, you know, [gap] I would like for you to start working on that, that tape, and I will work with you, and I want you to work with me.

DAVID: Okie doke. Okay. Let me get off the phone then. And the kids will be down there in just a

second, all right?

HENRY: Okay.

DAVID: Okie doke?

HENRY: Okay.

DAVID: Okay, thanks.

HENRY: Um-hum.

[gap]

* * *

UNIDENTIFIED MALE SPEAKER: -- and I'm getting ready for that.

[gap]

* * *

UNIDENTIFIED FEMALE SPEAKER: Hello?

HENRY: Hello?

UNIDENTIFIED FEMALE SPEAKER: Yeah.

HENRY: This is Henry?

UNIDENTIFIED FEMALE SPEAKER: This is Henry. Okay. Wait one moment. I'll give you to Steve.

HENRY: Okay.

UNIDENTIFIED FEMALE SPEAKER: Steve. Steve. Henry.

STEVE: Hello?

HENRY: Hi, Steve. Steve?

STEVE: Yes.

HENRY: This is Henry.

STEVE: Oh, hi, Henry.

HENRY: How are you doing?

STEVE: I'm on the tired side. Little bit --

HENRY: Oh, I guess so.

STEVE: -- little bit slow tonight.

HENRY: Okay. Couple of things I wanted to bring up. David mentioned that he was going to try to do that audiotape. Is he working on that?

STEVE: You know what, I, I just about 2 minutes ago I was going to go lay down for a few minutes, and I went past him and he was almost snoring. He, he fell asleep.

HENRY: Oh, he did?

STEVE: Yeah.

HENRY: Okay.

STEVE: So are you working on that? Or I mean I -- or I mean have you checked or found out anything about it or --

HENRY: Well, he said he was going to try to, to give us a, a tape. And he had asked somebody to try to go and get some equipment from

STEVE: Okay. Yeah, I, I see

HENRY: -- the recording studio.

STEVE: I see something is here right now. So that's apparently what it's part of.

HENRY: Okay. Is, is he -- I really have a concern because he was, you know, he was in, in great

pain and agony, you know, when I was talking to him earlier.

STEVE: Uh-huh.

HENRY: And, but, you know, part of the problem is like he said every time that he coughs or laughs or something like that that he feels that he starts bleeding again.

STEVE: He said that?

HENRY: Yes, he, he did. And the problem is if he is feeling -- if there is internal bleeding, see, when, when that coagulates, that's going to cause him some serious problems. It's been a long time since, since he suffered that wound, and we need to try to get him some medical help.

STEVE: Well [gap] for, for what they're telling me I guess -- hello?

HENRY: Yes [gap].

STEVE: [gap] Oh, something -- I don't know what's -- what's happening I wonder?

HENRY: Yeah.

STEVE: Is that at your end or --

HENRY: No, it's probably at your end.

STEVE: Well, there's nobody around the, the phone here. I don't get it.

HENRY: Uh-huh.

STEVE: I'm looking around here right now.

Okay. It sounds actually better. I don't know what it kind of cleared up or something here.

HENRY: Um-hum.

STEVE: Okay. Okay, you were, you were saying, yeah. Oh, I tell you what. I'm just so worn out I'm having a hard time even talking here.

HENRY: Okay. Well, let me, let me say this. The, the two -- or the lady that brought the, the last two kids indicated that their car is almost out of gasoline.

STEVE: Oh, it is.

HENRY: So she said or she asked if we could bring some gasoline on the next, you know, when we do the next exchange. Can you get a couple of kids ready so we can pick them up and --

STEVE: Yeah, let, let me find out then. I guess I haven't been with it just too long here. I was starting to lay down there and I was -- let me find out what they're doing, and I'll try to do that, okay?

HENRY: Okay.

STEVE: Just a minute.

HENRY: Okay.

[gap]

STEVE: Just a minute.

[gap]

STEVE: Henry?

HENRY: Yes.

STEVE: So have you made progress with doing the tape thing or

HENRY: Yes. As a matter of fact, I mean we, we encountered some difficulty but, but --

STEVE: Yeah.

HENRY: What we're trying to do is because he is most serious about this

STEVE: Uh-huh.

HENRY: -- we're trying to react in exactly the same fashion.

STEVE: Yeah.

HENRY: And what we're trying to work out is we're trying to get him some time on the National Christian Broadcasting Network.

STEVE: The National Christian Broadcasting Network?

HENRY: Yes, which has several thousand radio stations throughout the country.

STEVE: Okay.

HENRY: Now that is, is based in Phoenix, Arizona.

STEVE: In Phoenix, Arizona.

HENRY: But, you know, their headquarters. But when we called out there, there's nobody there, so we sent agents out to go to the people's house and get

them out of bed or wherever they're at

STEVE: Uh-huh.

HENRY: -- so that we can initiate this.

STEVE: I see. So was he wanting to do that yet tonight or --

HENRY: Well, he wanted to -- he was going to record the, the cassette for us.

STEVE: Uh-huh.

HENRY: And then he assured me.

STEVE: Yeah.

HENRY: And I told him I was going to hold him to his word, but he assured me not once but at least four times

STEVE: Uh-huh.

HENRY: that, that once we did that, everybody was coming out.

STEVE: I see. Could you be careful of the cord there? I think that's maybe what the problem is. Someone was bumping into this -- the cord in the phone is bad.

HENRY: Oh, okay.

STEVE: Okay. Yeah. Careful. Careful there. Hello?

HENRY: Yes.

STEVE: Okay. Okay. Let me see. And then we're -- right now, he's fallen asleep. I see they

brought a couple of the things. Is there any way I could leave him maybe sleep for 1 hour?

HENRY: Okay. But, but I have a concern, Steve. And the --

STEVE: Yeah.

HENRY: -- concern that I have, you know, is that, you know, his health may be deteriorating. Okay, so --

STEVE: There's, there's -- right now there's a nurse over here. And she says leave him sleep for the moment --

HENRY: Okay.

STEVE: -- just to regain, regain at least a little strength here.

HENRY: Okay. That's --

STEVE: And then she said she wants there herself asking if, if they can't do something in that area. She was just whispering over here to me. So I, I think between her and I we're going to ask them about that, you know, getting that kind of attention or something, or see if there's more that could be done to help out there.

HENRY: Okay. Okay. And we are ready to provide that, but

STEVE: Okay.

HENRY: -- we're going to have to take him

out of there.

STEVE: Uh-huh.

HENRY: Okay? And I want you to be thinking in terms because at some point the responsibility, you know, for the entire group is probably going to shift to your shoulders, Steve.

STEVE: I see.

HENRY: And, and, you know, I know there's an awful lot of people there. A lot of children.

STEVE: Right.

HENRY: We want to between you and us, between you and me, we need to try to coordinate this so that we can effect what

STEVE: Right.

HENRY: -- David and I initiated and that is everybody's coming out.

STEVE: Okay. Is there any way then -- can, can you call me back in an hour?

HENRY: Sure.

STEVE: Oh, that would be great. Because I think what I'm going to do is even lay down here, and I'm going to have somebody here wake me up then. Or if, if the phone rings, I'm just going to make sure that I hear it just so I don't fall off too deeply in sleep or something.

HENRY: Okay.

STEVE: Okay.

HENRY: Now let me just ask you this. Can we get a couple of kids so that we can go ahead and, and give you the gasoline for that car that, that that lady was asking about?

STEVE: Well, she said he never -- he passed out before he gave the next couple that were to be going. So I don't know what to really do right now. Can, can we just wait for 1 hour?

HENRY: Okay. Does --

STEVE: And then, and call me and I'm going to have them at least have, you know, a number of them ready so that he can just say well, you know, these two are going next then.

HENRY: Okay.

STEVE: Yeah. I'm -- oh, I tell you what. I mean I'm, I'm so tired. Last night I went through the whole night. And I, I never got to sleep at all. I laid down

HENRY: You must be exhausted.

STEVE: Oh, I am.

HENRY: Okay.

STEVE: Henry, thanks much.

HENRY: Okay.

STEVE: I, I mean I know you're really trying there. I, I can tell. And I really do appreciate it.

HENRY: Um-hum.

STEVE: So I'm going to conk out here for about an hour. And please call me back.

HENRY: Okay. One other thing.

STEVE: Okay.

HENRY: Did you need a phone cord?

STEVE: I -- yeah. When you call me back, then I'll mention that again. I guess we -- I think he said that, didn't he?

HENRY: Yeah, but I'm not sure what kind of a cord it is that he wants.

STEVE: I'm not certain either to be honest with you.

HENRY: Okay. Okay. Well, check on those things.

STEVE: Okay.

HENRY: You know, in about an hour I'll be back to you.

STEVE: Thank you much.

HENRY: Thank you, Steve.

STEVE: Okay. Yeah. Bye.

HENRY: Bye-bye.

* * *

RACHEL: Hello?

HENRY: Hello?

RACHEL: Hello?

HENRY: This is Henry. Who's this?

RACHEL: Just a minute. Steve. Steve. Who am I talking to?

HENRY: This is Henry. Who's this.

RACHEL: I'm sorry. I couldn't understand you.

HENRY: Henry.

RACHEL: Henry.

HENRY: Who's this?

RACHEL: Oh, it's Rachel.

HENRY: Hi, Rachel. How you doing?

RACHEL: Okay.

HENRY: How's everybody doing in there?

RACHEL: I guess okay.

HENRY: How's David?

RACHEL: Well, he looks okay. Looks like he's --

HENRY: He looks okay?

RACHEL: Looks like he's sleeping.

HENRY: Okay. Who is the nurse in there that's, that's taking care of him?

RACHEL: Which nurse is it?

HENRY: Yeah.

RACHEL: I don't know.

HENRY: Are you a nurse?

RACHEL: No.

HENRY: Okay. Is there more than one nurse in there?

RACHEL: I think there's a few, but I don't know who, which one is which.

HENRY: Uh-huh. Well, you know, we have a concern. And we wanted to see if we could talk to her so that

RACHEL: Looks like she's waking up.

HENRY: Oh, okay.

RACHEL: Here.

[gap]

DAVID: This Harry?

HENRY: David?

DAVID: Yeah. Is this Harry?

HENRY: This is Henry.

DAVID: Henry. Oh -- sorry.

HENRY: How are you doing?

DAVID: Okay.

HENRY: Are you in pain?

DAVID: (Gasping.) Oh, it's almost a funny question. But, oh, wait a second. Let me look okay. All right. Are the children there yet?

HENRY: Yes, they are. You want to talk to them?

DAVID: Yeah. See. Rachel? Could you, could you get Larry? Is Larry asleep or -- could you

get Rachel, Larry and

RACHEL: asleep.

DAVID: Course, little Jamie can't talk so.

HENRY: Um-hum. We want to confirm that you're going to be making that tape, okay?

DAVID: Yeah. I was just trying to get some rest --

HENRY: Yeah.

DAVID: -- to get my strength up.

HENRY: Okay. Okay. I can understand that. Do you -- I don't know if Steve had a chance to, to talk to you. But, you know, we're working something out. And because, because you are serious, very serious about this, we want to approach it from the same, you know, with that same seriousness. Okay?

DAVID: Oh, yeah.

HENRY: And what we'd like to do is we are trying to not present this to somebody that's, that's going to take it lightly but rather whom we are trying to contact as a matter of fact as we speak is the National Christian Broadcasting Network. Okay?

DAVID: All right.

HENRY: Okay.

DAVID: All right. Okay. Where's, where's -- which -- where is that located at?

HENRY: They're based out of Arizona. I

think it's in, I think it's in Phoenix. And they have --

DAVID: What's the subsidiary station here locally?

HENRY: That I don't know. I know that they have several thousand radio stations throughout the country. But, you know --

DAVID: The station everybody's listening to right now is KRLD, right?

HENRY: Yeah. But that's, that's local.

DAVID: I know

HENRY: We're trying to get you something number one that's religious.

DAVID: Exactly.

HENRY: That's, that's serious.

DAVID: Exactly.

HENRY: Number two that has national exposure.

DAVID: Okay.

HENRY: Now the -- you know, as you know, that one of, one of the concerns that I have is here you are very serious, okay. And some of these people are calling you -- I don't even want to tell you what they're calling you. Okay? I mean it's something that you don't like. Okay? So I thought it would be --

DAVID: No, okay. I just -- I got what

you're saying just

HENRY: Okay. So we want to have something that, you know, that you're going to be pleased with. Because it's considered a serious religious network. Okay? So we I mean, we called this national network in Arizona, and we couldn't get a hold of anybody. So what we did is we called our FBI office in Phoenix, and as we speak they're waking up the people that are in charge of this.

DAVID: It's not a 24-hour radio station?

HENRY: Well, I'm not sure about that. I'm sure that it is.

DAVID: What, what --

HENRY: I shouldn't say I'm sure that it is. But, but the people that we were trying to contact, the head people, weren't around. So

DAVID: Oh, I see. Yeah.

HENRY: -- so they, they sent people out to the home. Okay?

DAVID: Right.

HENRY: And when I was talking to Steve, he was a little bit confused about what you wanted. So --

DAVID: Okay. We're going to make this tape. It's not going to be a long one.

HENRY: Okay.

DAVID: And we're going to put something

together very tangible, very simple, very even and begin to show the difference between the way I perceive the seals and what, in, in difference to what we've heard the seals being presented thus far by all so-called teachers and religious leaders that have been calling the radio stations.

HENRY: Uh-huh.

DAVID: So that way people will be able to honestly listen and read their Bibles as they're listening and see that I know what I'm talking about.

HENRY: Exactly.

DAVID: And then they'll make a decision from what they themselves have seen and heard from their own Bible. And then like I say, then I'm in your hands.

HENRY: Okay. One of the concerns that I have, okay, is I'm talking to some people, some medical people. And what -- I don't like what I'm hearing. And what I'm hearing is that, you know, remember when we were talking earlier and you coughed, okay. You told me that you thought that you might be bleeding. If you --

DAVID: Yeah, when I cough I bleed.

HENRY: Okay. Now do you, do you think that you're bleeding internally? Probably, right?

DAVID: Well, the hole is right here next to the belly. And it, it hit me in the, the pelvic, and

then it somehow traced around and went out kind of towards my back. There was a hole in the back --

HENRY: (Whispering.) My God.

DAVID: -- that was bigger than the hole in the front.

HENRY: Yeah. Well, see

DAVID: And then the

HENRY: What, what I'm, what I'm being told is that when you're hemorrhaging and then you're blood clots, okay, it creates a problem, because internally somebody's going to have to deal with it. You've been this is a long time ago that this occurred. We need to try to move things along so that you can get some medical assistance before you start having a lot of difficulty, you know, and, and you start going into shock or something like that.

DAVID: Well, I was in shock when I first got hit I thought.

HENRY: Okay.

DAVID: But like I say when -- I'm going to make this tape and, and I'm going to -- when we send the kids out to you I'm going to send that tape with them. And you'll just have to -- this will play, this will play tomorrow sometimes, right?

HENRY: Well, we can play it whenever you want. If you want we can play it now. Or we can, we

can go --

DAVID: Well --

HENRY: -- you know, we can play it tomorrow. Tomorrow will be fine. Now, you know, if you have a problem, if you have -- or if you're not happy with the National Christian Broadcasting Network, we can go to KRLD. I mean I don't have any problems going with whomever you want.

DAVID: Well, that's like I say if it's a national coverage then other stations will pick it up.

HENRY: Sure.

DAVID: And KRLD will probably more than happy want to play it. Because they've, they've been wondering what's happened to me anyway.

HENRY: Okay. Well, I don't have any problems making them a copy and giving them a copy or whatever you'd like.

DAVID: Would you, would you make a correction for KRLD and then those things for me?

HENRY: Okay.

DAVID: Let's see. They keep saying we have eight kids out. Let's see, we got 1, 2, 4, 6, 8, 10, 12, 14, 16 children. And they need to, they need to understand we got 16 children out.

HENRY: Okay.

DAVID: And there's a whole lot more as

you'll find out. And your all's records were really wrong when you numbered the amount of people here and stuff. And, and, you know, I'd like to hear that on the radio that there was 18 of them gotten out so far. That's Lahara, Renee, Angelica, Crystal, Camaray (phonetic sp.), Landon, Jake, let's see, my eyes are kind of blurry.

SHERRY: Ryan.

DAVID: Ryan, yeah.

HENRY: Okay. Give me the names again.

DAVID: Let me, let me get this

HENRY: Lahara.

DAVID: -- closer to, to me. Just read it off to me there, Sherry, would you? The, the ones that we've sent out so far. Okay. (Unidentified voices in background not discernible.) Okay, wait a second. Slow down, all right? Okay. Lahara.

HENRY: Lahara.

DAVID: Okay. You already got that down?

HENRY: Um-hum.

DAVID: Renee.

HENRY: Renee.

DAVID: Okay. Angelica.

HENRY: Angelica.

DAVID: Go ahead.

UNIDENTIFIED MALE SPEAKER: Crystal.

DAVID: Crystal.

HENRY: Crystal.

UNIDENTIFIED MALE SPEAKER: Camaray.

DAVID: Camaray.

HENRY: Camaray.

UNIDENTIFIED MALE SPEAKER: Landon.

DAVID: Landon.

HENRY: Landon.

DAVID: Yeah. The next one's Jake.

HENRY: Jake.

UNIDENTIFIED MALE SPEAKER: Ryan.

DAVID: Ryan.

HENRY: Brian.

UNIDENTIFIED MALE SPEAKER: Joshua.

DAVID: Joshua.

HENRY: Joshua.

UNIDENTIFIED MALE SPEAKER: Jamie.

DAVID: Jamie.

HENRY: Jamie.

UNIDENTIFIED MALE SPEAKER: And --

DAVID: No. The other ones -- all the ones that are marked off. (Unidentified female voice in background not discernible.) Those others on the other side.

UNIDENTIFIED MALE SPEAKER: Oh, Janessa.

DAVID: Okay. Janessa.

HENRY: Janessa.

DAVID: Patron.

HENRY: Patron.

DAVID: Yeah. Keep going. (Unidentified voices in background not discernible.) Let me see. Let me see that list. (Groaning.) Okay. Oh, are you saying these here are listed twice?

UNIDENTIFIED FEMALE SPEAKER: Yeah.

DAVID: No, they're not. No, these are the first ones we sent out. That's why they wrote the names over there.

UNIDENTIFIED FEMALE SPEAKER: -- we listed them (indiscernible).

DAVID: No, you didn't. There's Chrissy.

HENRY: Chrissy.

DAVID: Brian.

HENRY: Brian.

DAVID: Scott.

HENRY: Scott.

DAVID: Jake.

HENRY: Jake.

DAVID: And you already got Joshua and Jamie. So that's -- (unidentified female voice in background not discernible) -- 1, 2, 3, 4, 5, 6, 7, -- okay, 6, 7, 8, 9 -- all we've been saying anyway how many

HENRY: I, I think we only have 14. I think

you said 16, but I think we have 14.

DAVID: Oh, boy. I tell you. I mean, I may be corrected on them. But like I say, I got a big long list here and --

HENRY: Okay.

DAVID: we're marking them off little by little and -- okay. All right. So -- (groaning) all right, then so I'm going to start -- where's, where's Greg and them? They still -- where's Steve?

UNIDENTIFIED FEMALE SPEAKER: Sleeping.

DAVID: Is he sleeping around the corner? Oh, anyway. Here, here Larry. Here's -- this guy will let you talk to Josh.

LORRAINE: Hello?

HENRY: Hello?

LORRAINE: Hello? This is Joshua's mother.

HENRY: Oh, okay. Hold on a second. Let me get --

LORRAINE: Okay. Thank you.

HENRY: What's your name?

LORRAINE: Lorraine.

HENRY: Lorraine? Okay. Hold on, Lorraine. Let me get the -- Joshua. How are you doing?

LORRAINE: I'm doing fine. Thank you.

HENRY: Good.

[gap]

HENRY: He's coming right up, Lorraine. Hold on just a second.

LORRAINE: Okay.

HENRY: (Whispering.) Say hi.

JOSHUA: Hi.

LORRAINE: Hi, honey. You doing okay?

JOSHUA: Yeah.

LORRAINE: Okay. You be a good soldier, all right?

JOSHUA: Okay.

LORRAINE: Okay. I love you, honey.

JOSHUA: Okay.

LORRAINE: Okay, sweetheart.

JOSHUA: Bye.

LORRAINE: Bye. Yeah, they'll feed you. (Unidentified male voice in background not discernible.)

JOSHUA: What?

LORRAINE: Yeah, he knows that. He already said they won't feed me no yeah, you tell them no pork, honey, right? Do you hear Mommy?

JOSHUA: Uh-huh.

LORRAINE: Okay, sweetheart. Be a good boy, okay?

JOSHUA: Okay.

LORRAINE: Okay. I love you. Wait, hang on

a sec. Huh? Hey, are you seeing the rest of the kids? Did you get to play with them?

JOSHUA: No.

LORRAINE: No? Oh, maybe you will. What, what about the other kids that left? You didn't see them?

JOSHUA: Uh-uh.

LORRAINE: The ones that just left, no? Okay. Well, maybe you'll see them. Okay, you going to take the phone back, David? Okay, sweetheart. Put the man back on, okay?

JOSHUA: Okay.

LORRAINE: I love you very much.

JOSHUA: Bye.

LORRAINE: Bye-bye, darling.

HENRY: Lorraine?

LORRAINE: Yes?

HENRY: Oh, okay.

LORRAINE: Okay, I'm going to put David back on, okay?

HENRY: That's fine.

LORRAINE: Okay. Thank you.

HENRY: Thank you. (Unidentified female voice in background not discernible.)

DAVID: Okay. All right, thanks. Okay.

HENRY: David, one of the things that we need

to work out if, if we can is we have -- when we made that last exchange the ladies that brought the, the kids over said that their car was running out of gasoline, and they wondered if we could get them some gasoline.

DAVID: Wait a second.

HENRY: Okay.

DAVID: Said something about their car being out of gasoline? Oh, it is? (Unidentified voices in background not discernible.) Oh that, that little car, you know, it goes a long ways just on a -- well, we -- she said

HENRY: So what

DAVID: that she talked to the girl, Mary. But the thing of it is, is that -- how low is, how close to empty is it? (Unidentified female voice in background not discernible.)

HENRY: David?

DAVID: Yes.

HENRY: What, what we've done is we've gotten a, you know, 5, 5 gallons worth of gasoline. We got a gas tank full of

DAVID: Oh.

HENRY: And when they, we make the next exchange we'll just fill it up. We'll, we'll pour the 5 gallons of gasoline in the car. Okay?

DAVID: Okay. All right. Thanks. I appreciate that.

HENRY: Okay.

DAVID: I don't -- well, it's too late to get a phone now so.

HENRY: What?

DAVID: Oh, we -- see we have a lot of what we had to do is because I couldn't move and our phone was, was way down in a different part of the building, we had to scrounge up all kinds of phone cords and piece them together to stretch them across the building to, to get to where I am.

HENRY: Uh-huh.

DAVID: So we could have a phone here.

HENRY: Oh, okay, so you need a --

DAVID: So I had asked, I had, you know, I had sent some money to Jim, and I'd asked him, you know, to, you know, take care of the kids with that. But --

HENRY: Um-hum.

DAVID: -- I'd also asked him to if he could if he could just like have someone pick up, you know, half, you know, nothing real fancy, just a straight phone from Radio Shack or something with approximately 150 feet or so of, of telephone cable.

HENRY: Okay. Well, that's -- you know, I, I

have a note here to get, to get a telephone cord. I didn't know what exactly that was.

DAVID: Yeah.

HENRY: Okay. That's what you need. You, you need

DAVID: Yeah. Not the, the kind that twist around and around, you know, the, the straight stuff, you know. I need a lot of it. And the longer pieces we can get the better, because then we don't have so many connections we have to make.

HENRY: Okay. Now you want that -- that's like, like an inside cord, right?

DAVID: Yes, sir.

HENRY: Okay. Let me work on that. I'll probably get that as soon as, as

DAVID: They've got it at Radio Shack. They've got like, you know, they even got like 50 feet sections, you know. So

HENRY: Okay. Let me ask you this. When I spoke to Steve he was, he was concerned, you know, about your health as we all are, okay? But he's -- he has a concern about making any decisions. Are you trying to prepare him -- do you think it might be wise to, to is somebody calling? Hello?

DAVID: Hello?

HENRY: Yeah. That is Steve -- are you

working towards preparing Steve to take over some of the responsibility? Because I feel that you're getting weaker, okay? And, and you have a lot of responsibility on your shoulders, okay?

DAVID: Well, that's what I was telling Jim. I was telling Jim, I said look, Jim, I teach my students from the very first day that they meet me I tell them, I say hey, look, do you want to learn the seals? And they don't even know what that is at first, most of them. So I tell them look, would you like to learn something about Jesus Christ --

(End of tape.)
